GODDESS DURGA

Goddess Durga is the mother of the universe and believed to be the power behind the work of creation, preservation, and destruction of the world. The word "Durga" in Sanskrit means a fort, or a place which is difficult to overrun.

Another meaning of "Durga" is "Durgatinashini," which literally translates into "the one who eliminates sufferings."

Durga Puja festival marks the victory of Goddess Durga over the evil buffalo demon Mahishasura (মহিষাসুর). Thus, Durga Puja festival epitomises the victory of Good over Evil. In Bengal, Durga is worshipped as Durgotnashini, the destroyer of evil and the protector of her devotees.
